

Kenna Xu, The Founder

Born in Tianjin in 1985, Kenna is a new-generation curator and collector. He was the director of the Contemporary Art Museum in Shenzhen. For many years, he has been researching the global contemporary art market, serving as a lecturer at many large institutions, and keep good relationship with many important international art fairs, biennials, and prestigious artist fairs. In 2018, he founded KennaXu Gallery (Futian). The second gallery space was opened in 2022. KennaXu Gallery now has more than 1000 square meters (in total) exhibition space in Shenzhen.

KENNAXU GALLERY

KennaXu Gallery is founded in 2018, based in Shenzhen, gallery positioning itself as an academic and experimental art institution with an "international vision, case research, and experimental future". It is an international art exchange platform dedicated to serving artists, collectors, and art lovers. KennaXu Gallery (Futian) is hidden in an old community in Futian District, Shenzhen in the 1990s. Walking through the streets, breathing in the air of vitality, stepping on the old bricks, there you'll see, a simple and white courtyard under the shade of green.

About The Iron A' Design Award

The Iron A' Design Award is a prestigious award given to top %20 percentile designs that have demonstrated an exemplary high level of success in design. Entries to the A' Design Award are judged by a grand jury panel that brings together World's leading professionals, prominent academics and influential press members. Ranking are based on blind peer-review process where entries are voted anonymously on pre-established evaluation criteria, with strict presentation guidelines and score normalization to remove biases. The ultimate aim of A' Design Award is to create a global awareness and appreciation for good design by featuring and promoting good design worldwide.

15 April 2021, Milan / Italy.

The screenshot displays the World Architecture Festival website's search results page. At the top, there is a yellow navigation bar with the logo and menu items: HOME, PROJECTS, ABOUT, and CONTACT US. Below this, a search filter section shows 'ARCHITECT: Any', 'WAF YEAR: 2020-2021 (28)', 'STATUS: Any', and 'CATEGORY: INSIDE: Public Buildings (28)'. A message indicates 'Found 28 Results. Page 1 of 1'. The main content area features a grid of 18 project cards, each with a thumbnail image, project name, architect, and category. The 'KennaXu Gallery' project is highlighted in the second row, first column.
